

Birthday Party Info Sheet

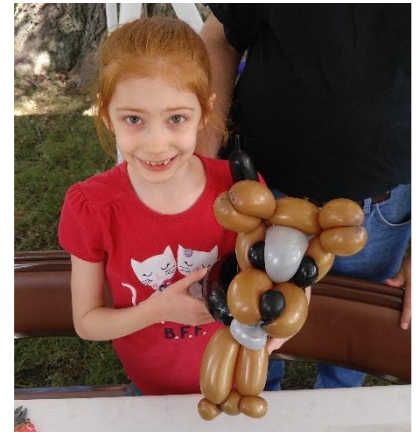

Thanks for contacting Pretty Funny Balloons. We'd love to be a part of your upcoming party. We have three great party packages to choose from.

Package #1: All Balloons

Our most popular package, this party includes everything you need for a balloon birthday party:

- About two hours of balloon entertainment,
- A special balloon sculpture for the guest of honor based on their interests or the theme,
- A balloon design (or two) for each kid,
- A balloon for each "big kid" (parents, aunts, uncles, teenagers and adults) because we all know they want one,
- A huge birthday hat for the guest of honor,
- Age-appropriate balloon games, and
- A chance to make their own balloon dog and take it home with them!

Package #2: Balloons and Face Paint/Glitter Tattoos

This package works great when you want two forms of entertainment. Christina or our other entertainers would love to use their multiple skills to make your event special. It includes:

- One hour of face paint or glitter tattoos (pick one.)
- Followed by one hour of balloon art.

It's perfect for groups of up to 15 children, as face painting takes a bit longer than balloon art. If you have more than 15 children, consider booking multiple entertainers.

Package #3: Just Face Paint or Glitter Tattoos.

Are you looking for just a facepainter or just Glitter Tattoos? This package is for you. You get two full hours of body art for your event, plus special attention for the birthday child.
